MEMBERSHIP APPLICATION DOCUMENTS

Applications for all classes of membership shall be accompanied by one (1) recent photograph, proof of qualifications and detailed curriculum vitae. Applications shall be considered by the Council during a Council meeting held once per month.

MEMBERSHIP CLASSIFICATION STRUCTURE

There are Six (6) classes of membership of the Barbados Institute of Architects, which are described as follows:

a. Architect Member

Members shall be qualified architects registered with the Barbados Architects Registration Board.

b. International Associate Members

A Person not practicing in Barbados but qualified and/ or registered to practice Architecture in their jurisdiction, subject to Council's approval.

c. Architectural Associate Members

A person who has completed an Undergraduate and / or Masters Degree in Architecture or Architectural Technology acceptable to Council.

d. Affiliate Members

Persons Persons of Affiliated professions with a personal or professional interest in architecture. This shall include professions such as Technicians / Draftspersons, Planners, Landscape Architects, Interior Designers / Decorators, Quantity Surveyors, Engineers, Land surveyors, Contractors or other persons considered acceptable by the Council of the Institute.

e. Student Members

Persons actively engaged in the study or Architecture or Design at an educational institution acceptable to Council.

f. BIA Fellows (Note: this is an honorary category)

Members or past members nominated by the Council as having contributed exceptionally to the development of Architecture in Barbados. Fellows will be allowed to use the letters "FBIA" after their names.

Note: All members shall be citizens of Barbados, or persons residing in Barbados, or persons residing in an Island/ Country/ Territory associated with the Barbados Institute of Architects. Members only shall be allowed to use the letters "BIA" after their names, or to use the title "Architect" to distinguish their professional status. International Members only shall be allowed to use the letters "IBIA" after their names, or to use the title "Architect" to distinguish their professional status.
